

# Kitchen Wizards

(a division of Kathy's Just Desserts, Inc.)

**Kitchen Wizards** is back at **Holy Family School** for another year of fun and tasty culinary enrichment programs. Sign up your children for our program - they're sure to enjoy! This year, **Mrs. DeNicola** will teach the Kitchen Wizards program. Children will learn an important life skill, and they begin to connect what they're learning in school to "real life" situations. This program is limited to 16 participants, so register early!

*Did you know that we donate a part of the proceeds from our Kitchen Wizards program to your school and a part to the Family Lives On Foundation ([www.familyliveson.org](http://www.familyliveson.org))?*

## Fall Foods!

In this **3-week program**, our focus is on foods that are popular in the fall. When we think of fall, we think of crisp, cool air, falling leaves, pumpkins, apples, and Halloween! Our recipes will reflect the season. Includes copies of recipes and samples to bring home or eat at class. Participants will get hands-on practice! Aprons are recommended. Please send a beverage for your children to drink during this class, being held from **Dismissal-4:15 on Wednesdays**. Aprons are recommended.

**THREE WEDNESDAYS, October 28-November 4-11**
