

## Turn your tax dollars into scholarships for Holy Family students

You can choose where your tax dollars go. Did you know your Pennsylvania-based business could qualify for the Educational Improvement Tax Credit (EITC) program?

Complete your single page application today and receive up to 90% of your contribution back in PA state tax credits while also helping our students with financial need reach their goals.

Contact Cathy Cane, HFS Director of Advancement, at [advancement@myholyschool.org](mailto:advancement@myholyschool.org) for more information.

Or join us for our information night, Thursday, March 22 in the HFS library at 6:30 p.m. RSVP to Cathy at the address above.

Do you have a friend or relative that owns or operates a business in Pennsylvania? Please forward our message so they can learn more about how to get involved.
