

Holy Family School is beginning Continuous Enrollment for the 2022-2023 school year. Continuous Enrollment assumes that when a child is enrolled, he/she will continue education until graduation from eighth grade, unless the school is otherwise notified. Since most of our families remain year after year, this will streamline the re-registration process. The annual registration fee of \$250.00 will be applied through FACTS in February for the following school year, and no additional paperwork needs to be completed. Kindly complete this brief form for next year's registration [2022-2023Continuous Enrollment](#).

For any family who is opting out/withdrawing from enrolling at Holy Family School, please complete this [2022-2023Opt Out](#). I encourage you to speak with Mrs. D'Amelio if there is an issue or concern that she might be able to help with prior to completing the form. Please be advised that if you do choose to opt out or withdraw, a spot will not be held for your child(ren). Financial aid awards will be forfeited; financial aid applications will need to be resubmitted and awards will be made with any remaining funds, if available.

If you later decide to return, the Continuous Enrollment Agreement will need to be completed again along with an Application for Admission Form and a registration fee will need to be paid upon enrollment.

Please reach out with any questions.
