"And whatever you do, in word or in deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him."

~Colossians 3:17

## Principal's Spotlight

This week, I would like to shine a light on 2 of our 7th Grade boys. During a recent Student Council event, Noah R and Chuck R both went out of their way to clean up to be of assistance to their teachers. Someone had made a mess during the event and both boys jumped in immediately to take care of it so their teachers didn't have to. Even small acts of kindness make a big impact. Great job Noah, and Chuck!

## Report Cards and School Pictures

Report Cards were distributed to the students in Kindergarten through 8th Grade yesterday. If you haven't seen it yet, please check your child(ren)'s backpacks/folders. If you have questions about any grades, please contact that teacher as they will best be able to answer any question you might have.

School Pictures just arrived this afternoon. They will be sent home early next week.

## Staffing Update

It is with great sadness and disappointment that I share with you the departure of Mrs. Madelyn Howard. Mrs. Howard came to me last week with the news that she had been offered a position at another school. While she is heartbroken to leave HFS, she must do so for financial reasons. Her last day will be Friday, 12/22.

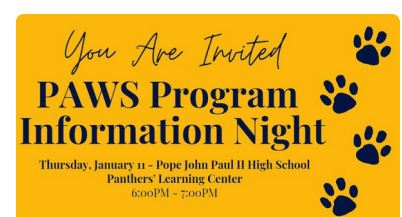

Please know that I have already posted the position, and I have several interviews set up between Friday and Monday. My goal is to have a suitable candidate hired before we leave for Christmas break.

As always, if you have any questions or concerns, I am happy to speak with you at any time.

## PAWS Program Information Night

The Panthers Achieving Worthwhile Success (PAWS) program at Pope John Paul II High School provides individualized and intentional support to students with documented learning differences who may have benefited from academic support and accommodations in their previous schools.

There will be an information session to introduce both current and prospective families to the PAWS program on Thursday, January 11, 2024 at 6:00PM in the Panthers' Learning Center at PJP. The session will include a formal presentation that outlines the program and objectives, enrollment process, documentation required, program fees, and financial aid opportunities.

Families can [sign up for the information session here](#).
