

Principal's Posting

December 22, 2023

Holy Family SCHOOL

Christ Centered | Student Focused | Family Driven

"Blessed be the Lord, the God of Israel, for he has visited and brought redemption to his people."
~Luke 1:68

Thank You!

I would like to thank each and everyone of our students, teachers, staff, and families. The generosity you have shown over the last few weeks, in a number of ways for a number of reasons, is so heartwarming - especially during this Advent season as we await the birth of our Lord, Jesus Christ.

I am grateful that I get to work and interact with you and that you are an extension of my family. You are a blessing to us all, and I hope that you experience nothing but love, joy, and peace this Christmas season.

Principal's Spotlight

This week, I would like to shine a light on our 7th Grade students. Mrs. Guzman was out one day this past week, and their substitute teacher just raved about how wonderfully behaved the students were not to mention how kind and polite they were. That's exactly what any teacher wants to hear after being out for the day, and I hope their parents are just as pleased to hear that about their child(ren).

I would also like to shine a light on JP in the 7th Grade as well. He took the initiative to post the homework for his classmates on their Google Classroom page, which is above and beyond what anyone would expect of any student. When I asked him what made him do that, he said he just wanted to be helpful. We're proud of you, JP and of your classmates as well.

4th Grade Teacher Update

As most of you already know, Mrs. Madelyn Howard's last day was on Friday, 12/22. The 4th Grade position has been offered, and I am waiting on confirmation. Once I have received that, I will send an update out to our community.

Thank you for your patience.

Reading Olympics

Does your child(ren) enjoy reading? If they do, then this club is for you!

Mrs. Goljer is moderating the Reading Olympics club this year. This club brings students together who share an enthusiasm for reading and promotes collaboration through teamwork in an archdiocesan-wide reading competition. For more information, please contact Mrs. Goljer at mgoljer@myhollyfamilieschool.org or return the attached flyer.

This club is open to students in grades 4 through 8.

January Lunch Parent Sign-Up Genius

The January lunch Sign-Up Genius can be found [here](#). If you have some availability, please consider signing up. As always, clearances are required.
