### Principal's Spotlight

This week, I would like to shine a light on our Student Council and Mrs. Miscioscia. Each year under Mrs. Miscioscia's guidance, our Student Council blossoms into a group of motivated, organized, and service-oriented group of young men and women. This year's Executive Board is no different. They consistently plan a variety of activities that bring school spirit, fun, and service to our school community. We are grateful for all that they do for us as well as all that they teach us!

One of their most recent events was to celebrate the Resurrection of our Lord, Jesus Christ. The Student Council hid miniature Jesus figurines around the school, and encouraged the students to find Him, not just here in the building but also in their own lives. What a fun activity that also makes us stop and think of how we find Jesus!

See below for more Student Council-sponsored events!

## Saint Basil Scholarship Opportunity

Attached is information on a scholarship opportunity for St. Basil families. Two \$1,000 scholarships will be awarded to applicants in Kindergarten through 7th Grade.

Students will be selected on the following criteria: academic and behavioral good standing combined with a solid attendance record. Additionally students should demonstrate service to parish, school, and/or community. For our younger students, the focus will be on family involvement. The financial needs of applicants will also be considered.

Applicants are asked to write a brief essay explaining why a Catholic education is important to them and their families. Younger students may have help, but we prefer hearing the words of the child. Please include those examples of parish and school involvement which validate the importance of Catholic faith and education in the life of the applicant.

Please complete the attached application and return no later than Friday, 4/19.

## Holy Family Catholic Education Scholarship Opportunity

The Holy Family Catholic Education Scholarship has been created to assist an eligible family in providing a Catholic education to their children. The sponsors of the scholarship believe that developing

the whole student is of extreme importance and that, along with the family, Holy Family School plays an essential role in the process.

They also understand that choosing a Catholic education comes with increased financial obligations and that some families may find it difficult to meet these costs. Among other attributes, a Catholic education serves to:

- Provide a sound foundation in our faith
- Teach respect of self and others
- Provide a high-level of academic excellence
- Produce students with sound moral values
- Reinforce and support the family in the development of a productive person

Please see the attachments for more information as well as the application.

To apply for the scholarship, please complete the attached application and **return no later than April 19, 2024** to the school office.
